ACADEMIC RIGHTS PRESS

Academic Rights Press is a publisher of unique, exclusive databases for scholarly research, teaching, and learning. BEP is selling three databases—Film ID (which is unique Nielsen data, with stunning graphical interface that delivers new insights into the film world) and Music ID (big data that opens new lines of research and easy to use for non-statisticians).

- ◆ Music ID one year subscription – \$1995
- ◆ Film ID one year subscription – \$3995
- ◆ Entertainment ID (Film ID and Music ID) one year subscription – \$4995

World Library Foundation

World eBook Library is the world's largest eBook database of portable eBooks for academic research with over 4 million eBooks and articles. The World eBook Library *Millennium Collection* offers works by the greatest thinkers of the last 1,000 years, works from America, Asia, Africa, and Europe, in over 300 different languages. Our collection of scholarly and academic articles have been curated from every field of study, with a extra focus on education, science, sociology, and technology.

World Journals Collection offers articles and journals from around the world, in over 300 different languages. Our collection includes articles from every field of study, and emphasizes the STEM (Science, Engineering, Technology, and Mathematics) subjects. Thousands of journals that you can read online or download in PDF format. Perfect for reading on an iPad, smart phone, or your portable e-reading device.
